This show will be hung gallery style, not grouped by artist. The coordinators will hang the show. We will not have a pre-show meeting but there will be a check-in procedure. See the schedule below for details.

Enter titles, mediums, price and framed dimensions for each work on the inventory form. As a guideline, assume that you have the **equivalent space of three panels (90x66")** though your work will not all be grouped in one location. Each panel can fit 1 – 4 works, depending on size. 2D Work wider than 30" is considered oversize because it won't fit on a panel. There is limited wall space available for oversize work. A Lottery will be used if there are more oversized work requests than space allows, AND if there is extra space available once all the works have been hung. See below. If you submit more work than space allows, you will be contacted to pick it up Wednesday afternoon or Thursday morning.

Artists showing **jewelry, there will be a single display area per artist.** Be present with your work at all times and keep your own inventory list of items.

No wall tags with red stickers from previous sold work allowed to be hung on the wall by an artist's work.
We will not accept wet paintings.

Please check any additional needs:

I need counter space approximately ____" wide

I need a pedestal(s) how many? _____

All cards and prints will be displayed in one location near the cashier.

Yes enter my name in the lottery for extra work space.
